Thank you to all the Pre-K and K Sunday morning children's class for the flowers and cards to all the Grandmothers this last Sunday before Worship.  
 It was a blessing to all of us.

The Woodsboro church of Christ is deeply indebted to so many who have done so much for our community. We have been truly blessed with the enormous outpouring of love and compassion for us. We have received so much-starting with the heartfelt thoughts and prayers of so many people who raised their voices to God mentioning our situation-for this we are truly humbled. Further, our fellow citizens brought us load after load of much needed supplies for our hard hit area. We are so thankful that you provided us with the opportunity to assist our friends and neighbors who needed those essential supplies. Additionally, we were blessed with men, women, and children who helped us by providing much needed manpower to organize and distribute the tremendous amount of food, cleaning supplies, tools, and other items needed during our time of crisis. To everyone who helped, the Woodsboro church of Christ would like to extend our heartfelt gratitude and love. Our community is blessed and better because of the blessings that you have bestowed on us. We thank you again, and pray that God will continue to bless you in your benevolent endeavors.

In Christian Love,  
 Woodsboro church of Christ
